Dear Secretary of State:

This letter is an addendum to my Candidate Report of Receipts and Expenditures. The Political Action Committee section should be increased by \$250.00. A contribution of \$250.00 from Bill Janklow's Political Action Committee of Sioux Falls, SD was inadvertently included in the Unitemized Cash section of the report.

Unitemized Cash total is changed to \$4468.00.
Political Action Committees total is changed to \$7290.00

Sincerely,

William F. Earley
